

# MARIJUANA VENTURE

AWARD-WINNING NATIONAL CANNABIS BUSINESS MAGAZINE

2017

# Media Kit

# Philosophy

**MARIJUANA VENTURE** is America's leading business marijuana magazine.

Marijuana Venture is the largest business magazine for the legal cannabis industry. The magazine launched in March 2014 and has grown rapidly. In December 2015, at a ceremony in New York, Marijuana Venture was honored as one of the fastest growing magazines in America by the magazine industry. Marijuana Venture prints 15,000 magazines each month, with about 10,000 sent directly to business owners. It is available in every major bookstore chain in North America.

Marijuana Venture has a team of attorneys, accountants, agricultural experts and other business professionals who lend their expertise and provide readers with the best information possible in the ever-changing world of legalized cannabis. Our goal is to help business owners operate efficiently, profitably and in full compliance with state regulations.

Much has changed since 2012 when Colorado and Washington legalized recreational marijuana. Other states have since followed suit. Marijuana Venture will continue to be the most trusted source for business information in the cannabis industry.

Unlike many marijuana magazines, Marijuana Venture does not publish advertisements or stories using the style of "Bongs & Thongs."

All Marijuana Venture content is geared toward business professionals in the legal cannabis industry.

# What our advertisers say

“Historically our ROI from print advertising has been less than favorable but because of the nice lead generation rate we are experiencing from Marijuana Venture, we have changed our advertising strategy and will continue to take advantage of this excellent brand-building opportunity.”

— Jimmy Lee, VP Sales, KES Science (AiroCide), Atlanta GA

“Subcooled Air had six new customer inquiries from one ad in Marijuana Venture Magazine.”

— Tom Dillon, Manager, SubCooled Air LP, Alvin TX

“Marijuana Venture is clearly the country’s leading marijuana business publication, and the ads I’ve placed have been instrumental to the growth of my business. I used to have ads in all sorts of places like phone books and websites – but now I advertise only in Marijuana Venture, with better results.”

— Attorney Chris Crew, Crew Consulting, Lakewood WA

“We advertised with Marijuana Venture since their inception, and we chose a winner! The landscape for marijuana advertising is now a ‘minefield’ of advertising start-ups that makes your head spin (not in the good way). Marijuana Venture is #1 in quality and distribution. We will stay with them.”

— Will Smith, CEO, Bud Bar Displays, Gold River CA

“We read the magazine every month, and love the content. We also advertise and will continue to do so. It’s the most effective way to get our brand out there.”

— Scott Griffin, CEO, Clarity Farms, Othello WA

“Marijuana Venture magazine is THE top-tier Cannabis professionals periodical, with relevant, well-written stories – and its readers are precisely those we want our ad dollars to reach.”

— Doug Banfelder, Premiere Dispensary Insurance, Scottsdale AZ

“Marijuana Venture is the only publication that got us the kind of response we wanted in a print ad. We received a lot of calls and inquiries from qualified buyers right off the bat.”

— Mitch Greenblatt, Co-owner, Groco Supply, Bellevue WA

# Expert contributors

**MICHELE BROOKE** is an attorney in California who practices civil litigation and civil cannabis law ([www.brookelawgroup.com](http://www.brookelawgroup.com)). She is a member of Americans for Safe Access, NORML and the American Herbal Products Association.

**NICK MOSELY** is the scientific director and part owner of Confidence Analytics, a state-certified cannabis quality assurance laboratory serving producers, processors and collectives throughout Washington state. Confidence Analytics can be reached by email at [info@conflabs.com](mailto:info@conflabs.com).

**LAUREN RUDICK** represents investors and startup organizations in all aspects of business and intellectual property law, specializing in cannabis, media and technology. Her law firm, Hiller, PC, is a white-shoe boutique firm with a track record for success, handling sophisticated legal matters including business and corporate law.

**C.J. SCHWARTZ** is the CEO and chief science officer of Marigene and Hempgene, two companies specializing in cannabis genetics. He has more than 15 years of experience in plant molecular genetics and has published in multiple peer-reviewed scientific journals. He can be reached at [cj.schwartz@marigene.com](mailto:cj.schwartz@marigene.com).

**SUZANNE WAINWRIGHT-EVANS** has been in the horticulture industry for more than 25 years, focusing on biological control and proper use of pesticides. She has worked throughout the U.S. and internationally as a consultant for greenhouses, nurseries and gardens. She is the owner of Buglady Consulting, now in business 15 years.

**BRENDA WELLS** is the Robert F. Bird Distinguished Scholar of Risk and Insurance at East Carolina University. During her career she has taught insurance courses that include commercial liability, commercial property and insurer operations, and has published articles on the risk management implications of cannabis legalization. She can be contacted at [brenda@riskedstrategies.com](mailto:brenda@riskedstrategies.com).
